West Georgia College is a coeducational, residential, liberal arts institution located in Carrollton. The city of Carrollton serves as the county seat of Carroll County and is one of Georgia's fastest growing industrial areas. Carrollton serves a regional population of more than 100,000 and is located an hour's drive west of Atlanta.

West Georgia College originated in 1906 in an area of the state that is rich in Indian history (thus the selection of the school's mascot—Braves).

From the early beginning in 1906 of three small buildings, the college has grown to include more than 40 structures of learning, living, and recreation located on a 398-acre wooded campus. The physical facilities are valued at more than \$88.5 million.

WELCOME TO WEST GEORGIA COLLEGE! We are sure that you will enjoy your stay here. While on the campus you will discover how easy it is to get away from others and enjoy nature.

Since you will be "the new kid on the block"  
we will want to sit down and explain a few  
things to you.

Of course we will allow you to settle in first.

One of the first things you will notice is that West Georgia is more than buildings and crowds . . .

. . . it is your new home . . .

. . . and we are your new family.

... like cooking ...

While at West Georgia you will learn how to do things for yourself ...

... and spending money.

Some of the exciting things you will be involved in  
are classes and studying.

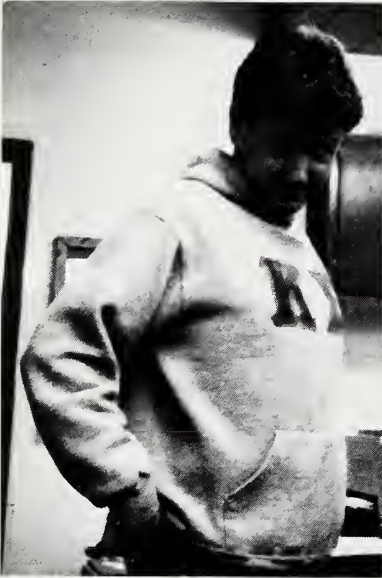

You will also learn how to interact with people . . .

. . . and support your friends.

One of the main things you will discover is your ability

to stand alone

or to be different ...

but, if you need support you will find those special friends  
who always seem ready to back you up.

There are times at West Georgia when we take a break from studying and have some fun. Whether it is the athletic fields, a fraternity house, Z-6, or "Love Valley," we know how and where to have fun.

It is our hope that you realize something while you are here. No matter if the event is good or bad . . .

we stand beside each other . . . and that is what makes US West Georgia College!
